

# COVID-19 Safe Working Guidelines

These working guidelines have been designed to keep us both safe so that I can bring my A-Game when working in your property.

Only carrying out work if symptom free

Maintaining the 2m social distance

Regularly washing hands with soap and hot water

Cleaning objects and surfaces that are in regular contact

Removing and disposing of waste

Limiting access to your property

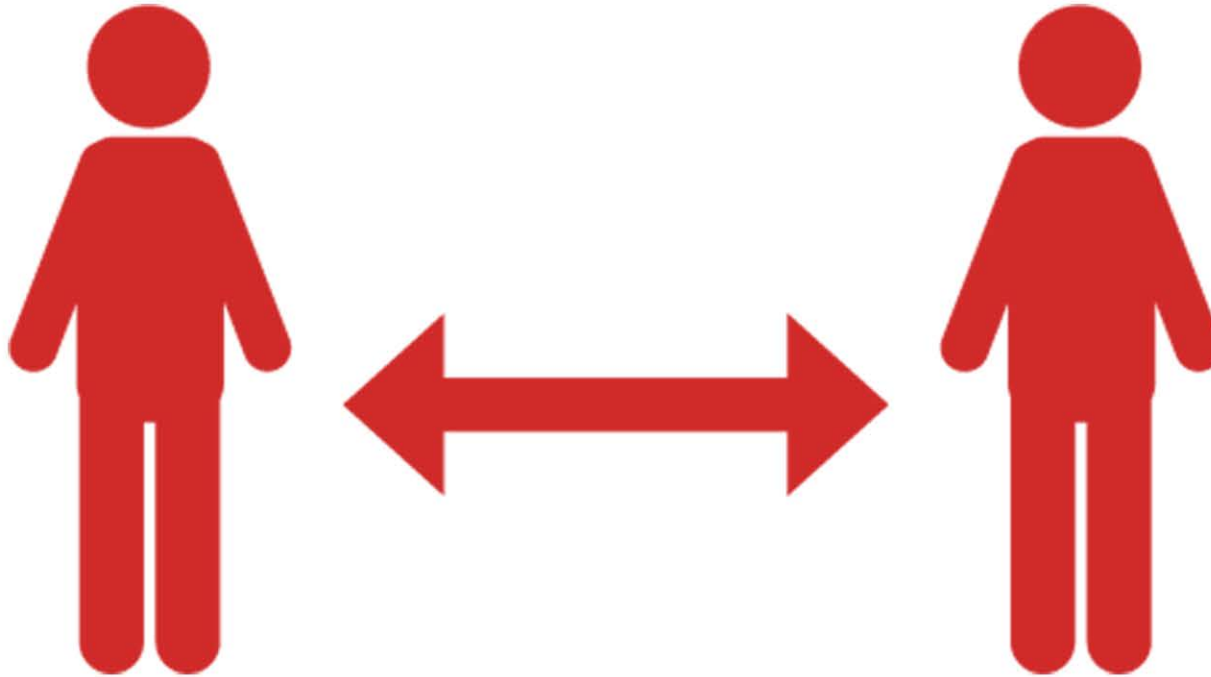

Providing own mugs / bottles for drinking

Agreeing specific controls e.g. PPE

Please speak to your decorator if you have any concerns.

**Please keep us all safe by maintaining  
a 2 meter social distance**
